

AXE VALLEY ACADEMY

POLICY

**Education Visit
Procedures Policy**
Updated: November 2017

INTRODUCTION

Off-site visits/activities are arranged by or on behalf of the Academy and would normally take place outside the Academy grounds. The governors and teaching staff believe that off-site activities can supplement and enrich the curriculum of the Academy by providing experiences that would otherwise be impossible. All off-site activities must serve an educational purpose, enhancing and enriching our children's learning experiences.

In this policy, we seek to establish a clear and coherent structure for the planning and evaluation of our off-site visits in order to manage and minimise risk, ensuring the safety and health of all pupils at all times. Within these limits, we seek to make our visits available to all pupils and wherever possible to make them accessible to those with disabilities. The visits usually take place within the Academy day.

AIMS AND OBJECTIVES

The aims of our off-site visits are to:

- Enhance curricular and recreational opportunities for our pupils;
- Provide a wider range of experiences for our pupils than could be provided on the Academy site alone;
- Promote the independence of our children as learners, and enable them to grow and develop in new learning environments.

Curriculum Links

For each subject in the curriculum, there is a corresponding programme of activities that may include visits to specialist venues.

Residential Activities

Residential visits enable children to take part in a wider range of outdoor and adventurous activities. Residential visits are reviewed by school staff as part of the trips' approval system and also endorsed by a representative from the Somerset Local Authority, via the EECLive system.

EXTERNAL VISIT CO-ORDINATOR (EVC)

The Principal will ensure that the Academy has a trained External Visit Co-ordinator. The EVC will be involved in the planning and management of all off-site visits.

The EVC will:

- Ensure that risk assessments are completed and, when appropriate, individual safety plans and safe working practices.
- Support the governing body in any decision on approval.
- Assign competent staff to lead and help with trips.
- Verify that all accompanying adults have been DBS checked.
- Make sure that all consent and medical forms are obtained.
- Keep records of visits and provide after-visit evaluation to aid future visits.

The Academy's trained EVC is Jacky Lomax.

HOW VISITS ARE AUTHORISED

Staff proposing to arrange an off-site activity must seek and obtain the approval of the Headteacher and Governing Body (as necessary), in advance, before any commitment is made on behalf of the Academy.

Category A Visits/Activities

Approval for Category A visits and activities, has been delegated by the Governing Body to the Headteacher and/or EVC Governors must review delegation arrangements annually as part of their standing orders.

Category B Visits/Activities

Approval for Category B visits or activities must be obtained from the Chair of the Local Governing Body and the Headteacher before they take place. Endorsement is also required from the Outdoor Education Adviser for the Local Authority.

Classification of External Visits:

Categories A, B and C (Duke of Edinburgh Award) visits and activities, Notification, Approval and Endorsement clarification is available in the Outdoor Education and External Visits Website or follow this link:

<http://www.six.somerset.gov.uk/sccoea/content.asp?did=25626>

Planning a Visit or Activity

The Visit Leader must ensure that the visit or activity is planned in advance and within submission time to ensure approval is granted.

The planning of a visit should be carried out using the European Education Consultants (EEC) Health and Safety Management system for Risk and Educational Visit management as the system provides on-line approval for the Academy's EVC and, for Category B, Local Authority endorsement. Also, if applicable, Category C – Duke of Edinburgh Awards Office.

Visit Plan

The visit plan for intended visits must include the following:

- Risk assessments for transport, site of visit and activities
- Curriculum objectives
- Supervision/pupil ratios
- Itinerary
- Supervisory details
- Emergency contact details

Risk Assessment

All relevant, risk assessments to be carried out by the Visit Leader before any proposed visit or activity takes place. Existing risk assessments should be checked to ensure that they are still suitable and sufficient.

As before, EEC provides comprehensive frameworks for venues and activities and should be used for visit/activity planning.

A copy of the risk assessment or safe working procedures is to be given to all adults supervising the visit/activity.

Transport

Risk assessments must be carried out for the mode of transport. When hiring a coach or minibus, only use companies that have been endorsed by Devon Transport or Transporting Somerset.

If using a self-drive minibus whether, owned, leased or hired, drivers must have passed their driving test before 1997, have a D1 on their licence and received training within the last four years. Please contact the main office for further information.

If using staff vehicles, ensure that [Driver Risk Assessment \(F14a\)](#) has been completed before visit.

Using vehicles belonging to parents is to be discouraged. If, however, the decision is made to use a parent's vehicle the driver risk assessment (F14a) **must** be completed and a DBS check performed before the visit/activity takes place.

Communication with Parents

The parents of pupils taking part in an off-site activity should be provided with all appropriate information about the intended visit. Parents must give their permission in writing before a child can be involved in any off-site activities.

FURTHER HEALTH AND SAFETY CONSIDERATIONS

Adults accompanying the group(s) on the visit/activity must be informed of the emergency procedures by the Visit Leader and provided with an emergency telephone number. This will normally be the Academy number, but where an activity extends beyond the normal Academy day, the telephone number of a designated emergency contact should be provided.

The Admin Office to be provided with a list of everyone, students and adults, travelling with the group, together with a copy of the itinerary for the activity (print out of the summary sheet from software).

The safety of the group, especially the students, is of paramount importance. During the activity/visit, the Visit Leader must take whatever steps are necessary to ensure that safety of the group is the key priority. This involves taking note of any information provided by medical questionnaire returns, and ensuring that pupils are both safe, well and looked after at all times. Prior to an activity, if it is felt that the behaviour of an individual pupil is likely to compromise the safety of others, the Visit Leader should discuss with the Headteacher measures to put in place to enable the pupil to take part, especially if part of the curriculum. An example of these measures could be an Individual Safety Plan supporting extra supervision.

MONITORING AND REVIEW

This policy is monitored by the Academy and will be reviewed every three years, or before if necessary.

FURTHER GUIDANCE AND HELP

Appendix 1: Visit Leaders' Check List

Standards for LAs in Overseeing Educational Visits:

<http://www.teachernet.gov.uk/doc/2576/STANDARDS%20LEAS%20FINAL%202002.doc>

Handbook for Group Leaders:

<http://www.teachernet.gov.uk/doc/2578/HANDBOOK%20FOR%20GROUP%20LEADERS%20FINAL%202002.doc>

These documents can also be accessed through the EEC website.

Appendix 1

Visit Leaders' Check List

Must Do:

Complete the purpose of visit – including the educational objectives.

Check any relevant, generic, risk assessments and share with visit supervisors. *

Any required new risk assessments to be completed and shared with visit supervisors.

All supervisors to be listed and appear in the ratio box.

All attendee numbers to be recorded in the ratio box.

All attendee numbers, age, gender and Key Stage to be entered in the purpose of visit and educational objectives area (main area).

Ensure both the insurance box and the category of visit is selected.

Itinerary to be completed for each stage and time and dates to be consecutive.

Emergency contact number to be recorded for the visit - home and away.

The visit must be submitted within the specified time period.

Check the communications page to ensure that information is recorded and actions taken.

***Note: Risk assessments should be completed for each activity and in most cases they will be generic. Regular activities, e.g. Coach Travel should be reviewed on an annual basis by the health and safety co-ordinator.**

Visit Leaders need to ensure that they have looked at the relevant risk assessments for the activity and shared them with all supervisors who are involved – it will NOT require reviewing or completing a new one for each visit.
