

The Axe Valley Community College

Development Plan – Prevent Duty 2015-16

From 1 July 2015 all schools, registered early years childcare providers and registered later years childcare providers (referred to in this advice as "childcare providers") are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015, in the exercise of their functions, to have "due regard to the need to prevent people from being drawn into terrorism".

In order to demonstrate "due regard" the college will rapidly put in place, through this development plan, actions and evidence that are compliant with this duty.
