WELCOME TO THE AXE VALLEY SIXTH FORM CENTRE INFORMATION EVENING

2017 will bring new opportunities to all students at The Axe Valley Sixth Form Centre. In addition to our existing A Level programme, you are now able to select from a new range of vocational courses which can be studied as a separate programme or alongside A Levels.

Vocational courses provide an excellent alternative method in which to gain essential skills and knowledge for future higher education study or careers. Our new BTECs and Cambridge Technicals are courses which allow students to apply their learning through a range of practical study and assessments.

GENERAL INFORMATION

Students entering The Axe Valley Sixth Form usually opt to study 3 A-Levels/Vocational courses, which matches the entry requirements for Higher Education/Higher Apprenticeships.

There is a statutory obligation that any student who has not achieved a Grade 4 or above in GCSE Maths or English must continue to study this subject while at Axe Valley Sixth Form.

STAFF

As well as subject-specific presentations, teaching staff will be available during the evening to discuss questions you may wish to raise. Please also feel free to talk to Mr Dave MacCormick Vice Principal – Director of Sixth Form, Mr Dave Owen Head of Year 12/13 and Mrs Vivien Rodger, Sixth Form Assistant who will be happy to help you.

PLAN YOUR EVENING

Please use this planner to plan your evening, ensuring you visit all subjects that interest you as well as allowing time to explore the displays in the Common Room.
