Computing Club	Fri - Lunch	IT1
Film Club – Years 7-13	Fri - Lunch	L3

CLUBS AND ACTIVITIES SPRING 2018

Dear Students

On the other side of this sheet you will find a list of all the clubs and activities that are currently available. Most clubs will start next week unless stated; please check with Reception or a teacher if you are not sure.

In most cases you can **just turn up** to try out a new club, sometimes numbers will be limited, so it is best to check with Reception.

Clubs are FREE

Clubs are free of charge, funded by the college and PTFA. The PTFA fundraises all year to make this possible, so your support is vital for this to continue.

Donations

If possible everyone should make a donation towards the cost of clubs.

Please donate £5-10 per term if you can.

To maximise the impact of these donations we request that they are made via the Local Giving website, through which the college will benefit from Gift Aid as well as match funding at certain times.

www.localgiving.com/charity/tavccptfa

More Clubs

The PTFA is very supportive of widening the range of clubs available - it already contributes towards the costs of clubs and will consider requests for more. If you are interested in a sport or activity and would like to see a club set up please email Mrs Pemberton on:

KPemberton@axevalley.devon.sch.uk

Late Transport

Please note there is a late bus that leaves the school bus park at 5pm on Tuesdays, Wednesdays and Thursdays. The bus stops at Musbury, Axmouth, Seaton and Colyton.

On rare occasions the late bus has been full and unable to take everyone home, if this happens students should come to School Reception where alternative arrangements will be made.

Important note:

Late transport is available for students who attend clubs and school activities **ONLY**.

Registers will be taken of all students that remain on-site after 3.30pm. If you are not on one of the registers you may not be permitted to use the bus.

Spring Term 2018

Late Bus

The late bus leaves the school bus park at 5pm on

Tuesdays, Wednesdays and Thursdays

The bus stops at Musbury, Axmouth, Seaton and Colyton.

On rare occasions the late bus has been full and unable to take everyone home, if this happens students should come to **School Reception** where alternative arrangements will be made.

Important note:

Late transport is available for students who attend clubs and school activities **ONLY**.
