

Year 9 Foundation Tier 7-1 Revision Schedule

	Topic	Corbett Maths Video
week 1 - 23/04/2018	1 negative numbers + - x /	205 206 207
	2 decimals + - x /	90 91 92 93 94
	3 rounding to a given decimal place	278
	4 rounding to significant figures and estimation	279a 215
	5 factors, multiples and primes	216 220 225
week 2 - 30/04/2018	1 prime factors	223
	2 highest common factor/lowest common multiple using a list	218 219
	3 highest common factor/lowest common multiple using venn diagrams	224
	4 understanding powers, Square root and cube roots	226 227 228 212 213 214
	5 using the laws of indices	174
week 3 - 07/05/2018	1 simplifying expressions by collecting terms	9
	2 multiplying and dividing expressions	18 11
	3 substitution and using a formula	20
	4 expanding single brackets	13
	5 factorising algebraic expressions	117
week 4 - 14/05/2018	1 writing and solving equations	115
	2 tally charts	321
	3 time series graphs	382
	4 composite bar charts	147 148
	5 stem and leaf diagrams	169 170
week 5 - 21/05/2018	1 pie charts	163 164
	2 scatter graphs and correlation	165 166 167 168
	3 comparing fractions	144 135
	4 add and subtract fractions	132 133
	5 multiply and divide fractions	134 142
week 6 - 28/05/2018	1 fractions of an amount	137
	2 simplifying fractions	146
	3 mixed numbers	139 140
	4 fractions, percentages and decimal conversions	121 122 123 124 125 126 127 128
	5 percentages of an amount	234 235
week 7 - 04/06/2018	1 percentage increase/decrease	238
	2 solving 2 step equations	110
	3 equations with unknowns on both sides	113
	4 inequalities	176 177 178 179
	5 sequences and nth term	286 287 288 290
