

Our Year 10 Pre Public Examinations (PPE) will be taking place during the w/c 10/06/19 and we have put a revision countdown plan together to aid students in their preparation for exams. We would like to take this opportunity to thank parents and carers for your ongoing support with your child's studies.

The PPEs will take place over two weeks, the 10/6 which will be option subjects and the 17/6 which is core subjects.

As parents & guardians and teachers we all want to see each child maximise their potential and go on to great things. To help with this we have asked each subject to create an 8-1 Examination Countdown Plan, which will begin w/c 29/04/2019 (week eight), and finish on the w/c 17/06/2019 (week one). Each plan will countdown on the same week, so some plans may not start until week seven depending on the subject being option or core. We have done this so all students will be on the same week on the plans for each subject, making it easier to understand. These plans are all in the enclosed booklet.

The reason for creating the plans is to reduce our students feeling overwhelmed with revision and not knowing what they should do. Also it is to avoid students cramming everything into the two weeks beforehand and these documents have been designed to support starting revision early. Additionally it enables parents to specifically identify areas of revision to support with at home.

Not only are students better prepared and less stressed, but their PPE grades are likely to be better than they expect if they are able to revise regularly with real focus. It is recommended that students revise or complete homework for 10 hours over the week. Our message to students is to do revision in 20 minute chunks where students revise knowledge, test understanding and correct misconceptions.

The tasks that need to be completed will be added to ClassCharts as well, so students will have both a paper copy and electronic version of each task. All plans will be available on the school website as well.

If you have any questions or concerns about the countdown plans don't hesitate to contact us ([mbrookman@axevalley.devon.sch.uk](mailto:mbrookman@axevalley.devon.sch.uk), [ghorn@axevalley.devon.sch.uk](mailto:ghorn@axevalley.devon.sch.uk) ).

If you would like to order revision guides please do so by removing the form from this booklet (behind this cover letter), completing it and bringing back into school. Payments can be made on the school gateway.

Yours sincerely
