10 January 2016

Dear Parents and Carers of Year 9 Students

GCSE Options

At this point in the year, Year 9 students begin the process of choosing the subjects that they would like to study for the next two years. In order to help young people to make these important decisions, we are holding our **Options Information Evening** on **Wednesday 25 January**.

The evening will begin at **6pm** with a short presentation in the Main Hall. Following this, you will be invited to tour the school to hear from the various subject specialists and ask any questions that you may have. An information booklet and the all-important options form will be available during the evening and we ask that these forms are returned to us by Wednesday 8 February so that we can begin the process of timetabling for next year.

I do hope that all Year 9 students and their parents and carers will be able to attend this important event but if you need any further help in the meantime, please feel free to contact Mr Davies, the Year 9 Leader at tdavies@axevalley.devon.sch.uk or Mr Cumming, the Assistant Headteacher responsible for our curriculum at kcumming@axevalley.devon.sch.uk

I look forward to welcoming you on the 25th.

Yours faithfully

Steve Green
Headteacher
