

9th June 2020

Dear Parents and Carers

Key Worker and Critical Care placements until the end of the Summer Term

We can confirm that we will remain closed for all students except keyworker students, vulnerable students and students with an EHCP who cannot safely stay at home. The school will also be partially opened for Year 10 students from Monday 15th June, all of which have now all been informed.

As previously, we are asking you to book your child in for the days that you will require from Monday 15th June to Friday 17th July, as always, we will confirm the dates allocated to you in writing. If your days change or you do not know the days that you require at this time, simply text the number when you do know, ideally a week in advance so that we are able to organise staff accordingly. To book in your child for any dates from 15th June simply text 07712 854023 in the following format:

Child's full name

Canteen

The canteen will be open but with a limited menu. If your child wishes to buy lunch they must order this from the menu at break time and collect it at lunch time. All meals will be a cold packed lunch option involving a savoury component such as a sandwich or pasty, a piece of fruit and a piece of cake. This will cost £2.20. There are no other options available at this time. Lunches will be free for students in receipt of Free School Meals, but must be ordered at break time each day. Students should bring plenty of water in their own water bottles.
