Dear Parent/Carer

### **Remote Learning**

I wanted to take this opportunity to remind parents and carers of our remote learning offer to students.

We have a curriculum map available on our website

<https://axevalley.devon.sch.uk/curriculum> where you can identify the material your child will be accessing for each term by subject. There are specific links to online resources and pre-recorded lessons that are available to support that area of the curriculum.

Additionally I'd like to remind you of our online platforms that we subscribe to where your child can access additional work and support. Below are the details about how to access this provision.

**GOOGLE CLASSROOM**                      <http://classroom.google.com/>

**SENECA LEARNING**                      <https://senecalearning.com/>

Email your class teacher for more support with GOOGLE CLASSROOM & SENECA LEARNING

**KERBOODLE**                                      <https://www.kerboodle.com/>

Email your Science Teacher for more support with KERBOODLE

**HEGARTY MATHS**                              <https://hegartymaths.com/login/learner>

Email your Maths teacher for more support/guidance with HEGARTY MATHS.

**COMMONLIT**                                      <https://www.commonlit.org/>

Email your English teacher for more support/guidance with COMMONLIT

These platforms are used regularly by all of our students and as such this will give you immediate access to all of the relevant lesson work for your child.

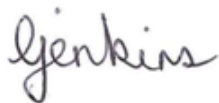

If your child is self-isolating, in addition to the core subject platforms listed above, there will be work set on ClassCharts by their teachers. ClassCharts will give clear instructions about the work that needs to be completed and where to find this work. This will be used in close conjunction with Google Classroom. Every student and every parent has an individual log in for ClassCharts and as such if you need your log in details resending don't hesitate to contact reception at your earliest convenience.

**CLASSCHARTS**

<https://www.classcharts.com/>

Finally I'd like to remind you that if you have any concerns about computer access at home you should contact Mr Cumming [kcumming@axevalley.devon.sch.uk](mailto:kcumming@axevalley.devon.sch.uk) so that we can see if we can offer additional support.

Yours sincerely

A handwritten signature in cursive script that reads "Jenkins".

Laura Jenkins  
Headteacher
