

**FEBRUARY 2022**

# AXE VALLEY STRA

**INSIDE THIS ISSUE:** 21 pages celebrating another busy term at Axe Valley Academy.

**WELCOME TO OUR FIRST AIXEMINISTRA OF 2022** – It never ceases to amaze me that even in this exhausting term staff have been delivering lessons with enthusiasm and purpose whilst also squeezing in all manner of clubs and activities. New clubs like aspirations club and competitive swim club spring up all the time and I am enjoying seeing these grow.

It makes me incredibly proud to say that we have had great sporting success in a range of areas because at the moment we might be small as a community but we are making a big splash again showing we are small but mighty.

Notable individual successes include Innes Fitzgerald, who competed at the Devon Cross Country trials at Exeter Arena. Innes (Year 11) won the Inter Girls competition comfortably and went on to Chippenham to represent Devon at the regionals. She won this too. She will compete in the National Championships in March.

Ty Dibling (Year 11), who plays for Southampton FC, has been selected for the England U16 football squad. He is currently training with them in Portugal.

Sporting team successes across the school with wins in football, athletics and netball. We have had some fixture wins and some fixture near misses but definitely more wins than ever before! Visiting coaches have really enthused our students and we are enjoying having extra skills to boost our already very talented PE department! Particularly popular are netball and girls cricket although lunchtime Dodgeball club is becoming the place to be.

Music also dominates at AVA. Gradually the music department are trying to take over the school growing into unused spaces and creating more community based opportunities like the newly forming Axminster Community Orchestra. More community events are planned with music as plans are forming for another Orchestra for a Day workshop on 23rd March. We have seen a focus on Folk Music where students have learned about the history of the instruments and then have had a chance to try playing them. The results have been astounding. Further musical link ups are occurring with the Waffle House, in the heart of our town and we see growing participation from our students in Open Mic events. We have really come back with a bang!

In the run up to Holocaust Memorial Day, we were honoured to have the chance to listen to a presentation from Holocaust survivor, Henry Schachter. Our Year 9 History students and Year 11s, listened intently, as Henry told his story of endurance at a time when the Nazis tragically persecuted millions of Jewish people. This was an incredible privilege. We are very grateful to Mr Irvine for organising the event.

Much excitement has been brought about as we watched Marcus Wyatt, who attended Axe Valley Academy, at the Winter Olympics in Beijing. Having been selected for the GB Skeleton Bobsleigh Olympic team, his coaches asked us for good luck messages to show him. Staff and students were only too happy to oblige.

In such a short space of time, we have crammed in so much activity.

Have a wonderful half term.

*L Jenkins*

# THIS TERM AT AVA

## *PROUD MOMENTS...*

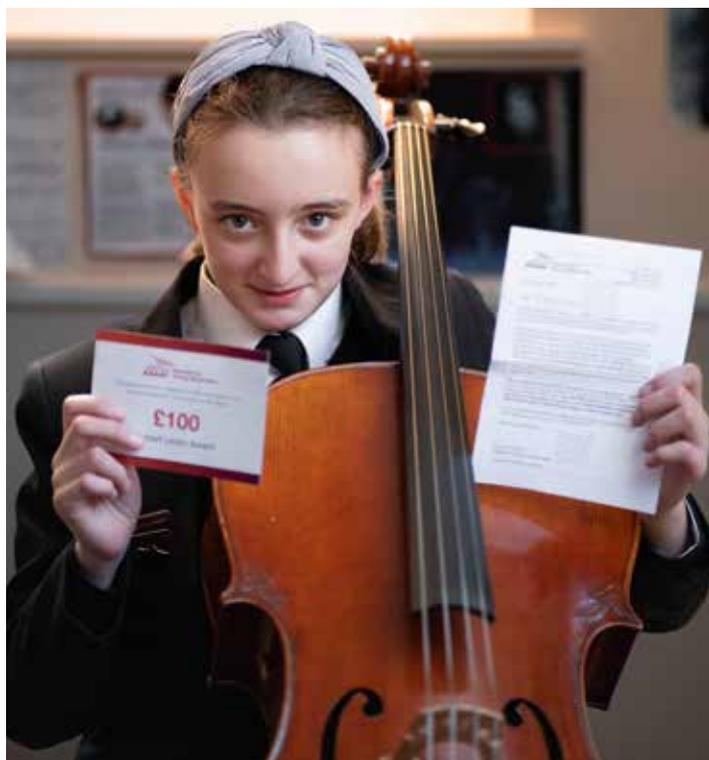

**CONGRATULATIONS TO INNES FITZGERALD**, who came first in the South West Schools cross country championships at Chippenham on Saturday. A fantastic effort from a truly gifted student - bring on the nationals! (19th March 2022)

**Congratulations to Ty Dibling (Year11)** who scored for England U16s against Turkey. Ty is now training in Portugal with the squad.

**#SMALL  
BUT  
MIGHTY**

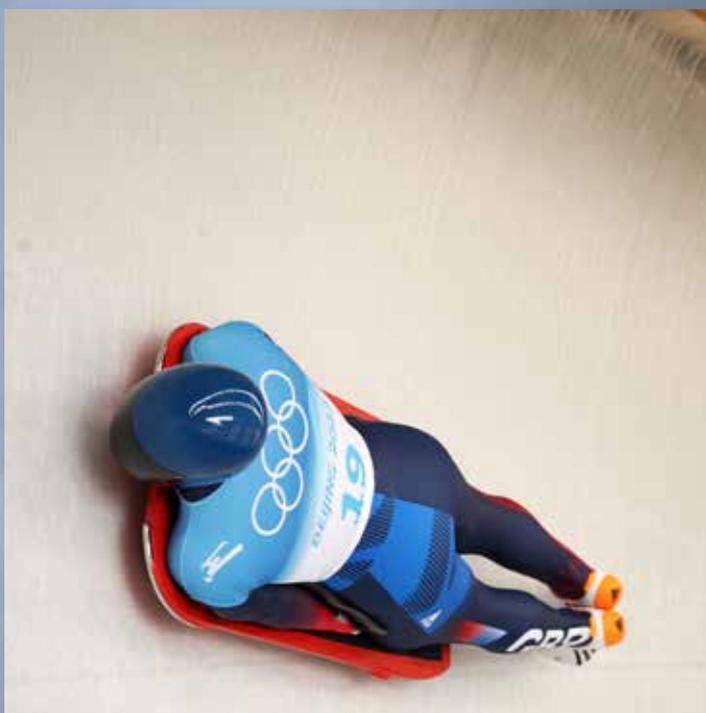

**YEAR 9 STUDENT**, Zefferina Ghignoni-Kent has received a place on the Awards for Young Musicians programme. She received £100 towards her musical costs "as recognition of her musical potential".

# THIS TERM AT AVA

After seven years of hard work we are super proud of ex-student, **MARCUS WYATT** for representing Team GB at British Skeleton at the Winter Olympics in Beijing. He came 16th. What an astounding achievement in his first Olympic Games. We can't wait to hear all about the whole experience Marcus had in Beijing. We had great fun making our good luck video messages. Check out our social media channels to see the ones which made the cut!

Facebook | Twitter: @AxeAcademy | Instagram: studyataxevalleyacademy

# THIS TERM AT AVA

**WE WERE HONOURED** to have the chance to listen to a presentation from Holocaust survivor, Henry Schachter. Our Year 9 History students and Year 11s, listened intently, as Henry told his story of endurance at a time when the Nazis tragically persecuted millions of Jewish people. Mr Schachter's family escaped Germany for Poland after the Kristallnacht attacks in 1938 but then fled to Belgium after Poland was invaded when Mr Schachter was just a baby. To protect him from the Nazis, his mother selflessly gave her child to a Christian family so that he would not be targeted. Both Mr Schachter's parents were killed whilst being held captive by the Nazis. His mother was sent to Belsen on the same convoy as Anne Frank and died of typhoid just four days before the camp's liberation. His father was shot when attempting to escape after a death march to Flossenburg.

“

THERE ARE TWO WOLVES  
FIGHTING INSIDE ALL OF US.  
THE FIRST ONE IS EVIL,  
THE SECOND ONE IS GOOD...

WHICH WOLF WILL WIN?

THE ONE YOU FEED.

Henry Schachter

25.01.22

”

“

Thanks to the bravery of  
Holocaust survivors, talking to us,  
we can shine a light on one of  
history's darkest chapters.

Mr Irvine

HOLOCAUST  
MEMORIAL DAY

”

# CAREERS

The logo for Axminster Tools features the word "AXMINSTER" in a white, bold, sans-serif font with a stylized white brushstroke underline under the 'X'. To the right of "AXMINSTER" is the word "TOOLS" in a clean, white, sans-serif font. The entire logo is set against a red rectangular background.

AXMINSTER TOOLS

We share your passion.

**RECENTLY** I ran a workshop for some Students at Axe Valley. It was such a pleasure to work with such an engaging and polite group of students. What struck me the most was how they interacted with each other with openness. You should all be very proud of yourselves.

The main focus of the workshop was about mindfulness and how this can help you. You all have amazing strengths and qualities such as kindness, resilience and wisdom and by using mindfulness it can only help you to recognise and grow these qualities. Mindfulness is about paying full attention to something; it means slowing down to really notice what you are doing.

The world is continually changing and during the workshop we touched on the topic of the different types of work that will be available to you in the future. There is certainly a focus on building your collaboration, communication and creativity skills as well as a good attitude to flexibility and teamwork. It is so important for

all of you to continue to network as I have said previously so that all of you can gain experience and insights into people's jobs and careers, inspiring you to aim high and be confident in your abilities.

One of our initiatives at Axminster Tools is to give staff 5% of their working hours to focus whether that is on a current project, training, listening to podcasts or webinars, shadowing another department, external networking; anything that can enhance development or knowledge to improve their role. Why not try the 5% initiative each week to focus on your studies or improving on something you are already good at, using mindfulness and taking some time out to pay full attention and really understand what you are doing – to focus.

**Jane Boulton**  
**HR Director**

# POETRY BY HEART

CHOOSE A POEM • LEARN IT BY HEART • PERFORM IT OUT LOUD

WEDNESDAYS 1:30 IN A8 – YEARS 7 AND 8

#weloveourclubs

Students will be given £10 and they must use this to create a student business and turn it into £100 profit - they get to choose what to do with the profits if they earn it! details can be found here: [10xchallenge.org.uk](http://10xchallenge.org.uk)

**HOW TO GET INVOLVED:**

THURSDAY 17 FEBRUARY | LUNCHTIME | THE LIBRARY

There will be an initial meeting with **Mr Irvine** to explain the project for any students interested.

**WEEK 1**  
**Here's £10**

Students research and decide on a product or service to launch their £10 in and enter their 'cash logs' for the week 1 competition.

**WEEK 2**  
**Getting started**

Teams secure materials or products and also selling events. They write their sales pitches for the week 2 competition.

**WEEK 3**  
**Keep it going**

Students get their product or service ready and promote their selling events.

**WEEK 4**  
**Payback & Profits**

Young people pay back their £10, make the profit, decide how to spend/provide it, and enter their journals for the national 10x competition.

# CLUBS AT AVA

**GROW CLUB** are trying out a new eco friendly model where you **RENT** daffodils for just the pretty bit of the year for just £1. When the daffodil has done doing what daffodils do best you just return the pot and bulbs to us and we'll look after them to use again for next year. This was a very successful Valentines Day venture.

# DEBATING CLUB

## OPEN EVENT:

**TIME:** Tuesday lunchtime,  
(1.30 - 2pm)  
**LOCATION:** A7  
**TEACHER:** Mrs Matravers-Broome  
ALL YEARS ARE WELCOME

## MOTION:

**THE HOUSE BELIEVES  
THAT THE SCHOOL  
SUMMER HOLIDAYS  
SHOULD BE 4 WEEKS  
LONG, INSTEAD OF 6.**

# CLUBS AT AVA

# CLUBS AT AVA

## SCIENCE BARN OWL PELLET DISSECTION

**MRS BISHOP ENJOYED A GOOD TURN-OUT AT OWL PELLET DISSECTION CLUB.**

**What are Barn Owl pellets?**

- Barn Owls are unable to digest the fur and bone of their prey, which they usually swallow whole.
- The indigestible parts are regurgitated (coughed up through the beak) in the form of an owl pellet.
- After feeding, producing a pellet takes 6 hours or more.
- After each night's hunting an owl regurgitates 1 or 2 pellets.
- Barn Owl pellets are typically about the size of a man's thumb and black when fresh.

The Barn Owl's diet consists mainly of small mammals particularly:

- Field Voles (45% of total British Barn Owl diet).
- Common Shrews (20%).
- Wood Mice (15%).
- House Mice, Brown Rats, Bank Voles and Pygmy Shrews are also taken.

We found a great deal of bones and were able to identify and clean up a huge variety of specimens.

# MUSIC

**YEAR 8** (pictured here) have been rocking and rolling, creating bands and learning classic 50s songs like Hound Dog and Rock Around the Clock.

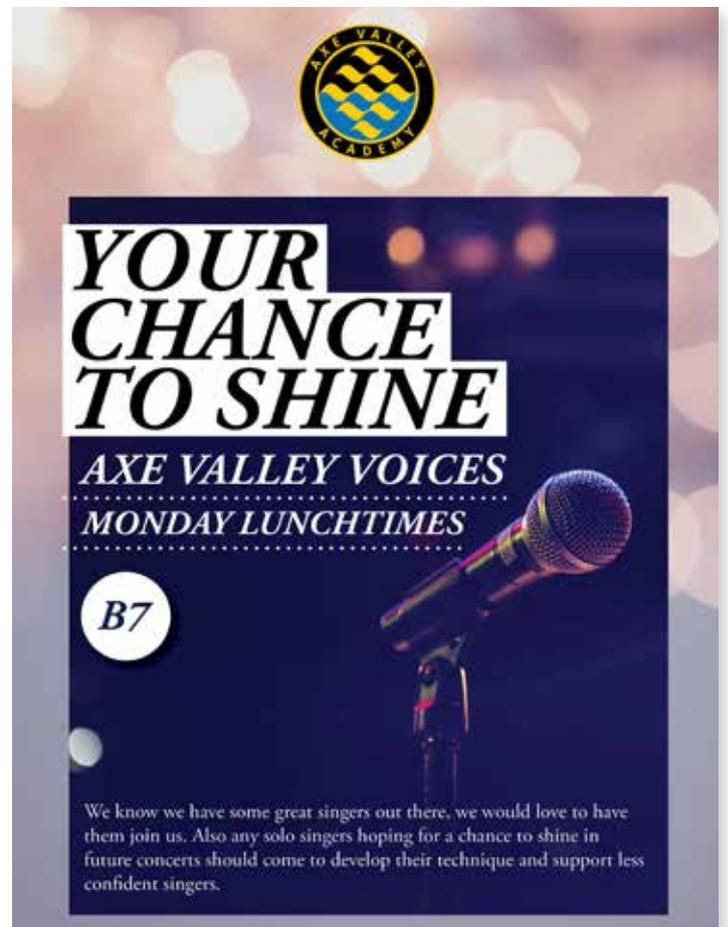

**YEAR 9** have been putting together class bands in preparation for their own independent bands after the holidays. Each class came up with their own personal set of rules for good musicianship – great job!

**YEAR 10 & 11** have been demonstrating hard work, resilience and creativity through their practical solo performances and compositions. The new mac suite is awesome, and our students are loving using the new software.

The amount of students having instrumental or singing lessons, rehearsing in the department at lunchtimes and preparing for the Spring Concert (5th April) is fantastic. A reminder that we always love to see new faces on Monday for Axe Valley Voices, Tuesday for Jazz Band and Thursday for Orchestra, as well as all the fabulous after school opportunities like Steel Pans and Rock School.

The department feels like a vibrant and buzzing place to be right now, so if you're not already involved, come and join in!

**MUSIC DIARY DATES:**

STARTING AFTER  
HALF TERM:  
**COMMUNITY ORCHESTRA**  
(THURSDAYS AFTER 4PM)

**23rd MARCH:**  
ORCHESTRA DAY

**5TH APRIL:**  
SPRING CONCERT

**18th JUNE:**  
BIG SING

**SEE SOCIAL MEDIA FOR DETAILS**

**Waffle LIVE** EVERY 2ND FRIDAY OF THE MONTH

**OPEN MIC NIGHT**

at  
FRI 14 JAN  
FRI 11 FEB  
FRI 11 MAR  
FRI 15 APR  
FRI 13 MAY  
FRI 10 JUN  
and beyond!

**YOU CAN PERFORM:**

- on your own
- in a band
- original songs
- covers
- one standard, one instrumental, welcome

@ THE COMMUNITY Waffle HOUSE (Lunchtimes) 7:30 onwards just turn up or see pub for more info.

Follow us | Twitter: AVA\_CreativeArts | Instagram: AVA\_CreativeArts

# MUSIC

**YEAR 7** have had a great half term exploring rhythms through body percussion and Djembes, with the added bonus of two Folk Music workshops each!

**IT SEEMS AN ABSOLUTE AGE SINCE CHRISTMAS** because so many good things have happened both in and out of school in the sporting world. Finally being allowed to have fixtures against other schools in football, netball and cricket has been great. I know that students have been active swimming, achieving impressive national times (Noah and Niamh O'Reilly). There have been students actively participating in park runs in the local community chasing Innes Fitzgerald in the ladies and Harry McMahon in the men's races. The Year 8s took part in a Sports hall athletics competition organised at Kings School Ottery. One of our most pleasing academy performances came in the girls U13 cricket competition held at Exeter University. We have been lucky to have community coach Damien Price (Chance to Shine) come in and coach the girls but, wow, what a fantastic performance to finish second out of five schools.

The PE dept recognises that a lot more students are participating outside of school and are also achieving great things. It would be great if parents informed us allowing the whole community to celebrate their success with them.

The Girls Netball is starting to gain momentum with the help of fabulous local coach Trish Warwick from Axe Vale Netball Club who runs both the lunchtime and after school clubs. Willow Tulloch and Phoebe Dare are certainly progressing well and helping U16 regional squad succeed. Please encourage students to attend as it is always best to have strength in depth, with a big squad.

The Boys Football has witnessed mixed fortunes for the different age groups, with our Year 7 team being victors in both of their games. The Year 8s have just started their central venue tournament at Kings and Mr Ward speaks of a bright future for the team. The Year 9s along with the Year 11s are looking forward to their next fixtures and training hard to win their games. This only leaving the Year 10s who played against Sidmouth and beat them by playing some attractive football, that was enjoyed by the crowd who were watching.

Since I last wrote we have witnessed not only some magnificent performances by all students previously mentioned, but some very special ones that I wish to highlight. Marcus Wyatt an ex-student has recently represented Team GB in the Skeleton finishing a creditable 16th but with better equipment was convinced he would have been in the mix. Well done, Marcus, I hope we can encourage you to visit the Academy in the near future to tell us about your journey to the Beijing Winter Olympics.

Ty Dibling is about to sign forms to become a professional footballer with Southampton FC and has recently been selected to play for England at the FA St. Georges training grounds vs Turkey. Last week he jetted off to Portugal to play against their national side and Germany. A wonderful

achievement. In between, he managed to play for the Year 11 team alongside his brother Owen. We congratulate you on your achievement Ty, and look forward to celebrating further success in your career.

You will be aware that Innes Fitzgerald is a super athlete, as demonstrated in her park run times and Devon Inter Girl Schools Cross Country champion. She recently went to Chippenham to compete in the South West schools Cross Country Championships and blasted away her rivals finishing 30 seconds faster than the second placed runner. She is now the South West Champion and part of the winning county team who will be running at Hop Farm, Kent in the English Schools Cross Country Championships on the 19th March 2022 and we all wish her well.

When students return after half-term they will still be allowed to wear PE kit on days that they have PE or are attending a sporting extra-curricular activity. Can you please encourage students to be wearing the correct uniform for the activity that they are participating in. A boot bag that should contain boots, shin pads and a gum shield, is essential. We have limited kit to loan out and we will be closely monitoring those who do not bring the correct kit. If you have any questions regarding kit or other matters concerning PE please contact me at the academy. [downen@axevalley.uat.ac](mailto:downen@axevalley.uat.ac). If you have any pre-loved kit that you no longer need we would be very grateful if you could donate it to us.

I would like you to know that I am organising two trips one to watch ENGLAND V IVORY COAST AT WEMBLEY: Tuesday 29th March (cost = £55) and ARDECHE 2023 is open to all years (cost = £905). If your son/daughter is interested in attending either or both of these trips, letters can be collected from the PE office.

## YEAR 10 GERMAN PRESENTATIONS and leaflets about our local area, completed as homework tasks.

Axminster, Seaton und der örtliche Bereich

### Axminster

- In Axminster kann man schwimmen gehen.
- Es gibt den Wildpark.
- Man kann einen Einkaufsbummel machen.
- Man kann ins Jugendzentrum gehen.
- Es gibt das Waffle Haus.
- Man kann Freunde treffen.

### Seaton

- In Seaton kann man mit der Straßenbahn fahren.
- Man kann im Meer schwimmen.
- Man kann angeln gehen.
- Man kann in die Spielhalle gehen.
- Man kann einen Einkaufsbummel machen.
- Es gibt den Park.
- Es gibt den Supermarkt.

### Weymouth

- In Weymouth kann man in die Spielhalle gehen.
- Man kann im Meer schwimmen gehen.
- Es gibt die Eisdiele.
- Man kann angeln gehen.
- Man kann einen Einkaufsbummel machen.
- Man kann ins Fastfood Restaurant gehen.

### Exmouth

- In Exmouth kann man einkaufen.
- Es gibt einen kleinen Supermarkt.
- Es gibt einen natürlichen Baggersee.
- Es gibt den Strand.
- Man kann Freunde treffen.
- Man kann ins Fastfood Restaurant gehen.

**KAYLA DARBY**

### In Axminster...

In Axminster, gibt es eine schöne, alte Kirche

Es gibt auch zwei Spielplätze für junge Kinder

Man kann auf dem Land spazieren gehen

Die Landschaft in Devon ist grün, schön und voller Leben

Man kann bei Waffle House oder River Cottage essen und trinken

Wenn es warm ist, kann man Lyme Regis besichtigen

Lyme Regis ist in der Nähe von Axminster und es hat drei große Strände, wo man schwimmen und faulenzen kann

Donnerstags gibt es in der Stadtmitte in Axminster einen Markt

Man kann Kleidung, Lebensmittel und Schreibwaren kaufen

# LIBRARY NEWS

## STATIONERY SHOP

The library's amazing Bookworm Buddies decided that it would be good for the school to have a stationery shop - and when they decide something's going to happen, it happens! The shop sells a huge range of stock and all at bargain prices and proved a huge success.

## POETRY AND ART COMPETITION

The library has been holding a competition for students, with the winner having to opportunity to meet and perform their poem with Simon Armitage (the poet laureate). The winners will be announced next month – watch this space!

## CHESS CLUB

This term, the AVA Chess Club took part in the English Chess Federation South West Championship. It was held in Torquay Boys Grammar school and an excellent time was had by all.

There were twenty teams taking part from many different schools. The AVA teams did well. Our top team came in 4th place and the championship title was won by a team from Exeter School.

I'm really proud of the enthusiasm and talent of all the students who took part. It's the first time we've ever played in this type of competition and they all show the potential to be future champions!
