

Classes

The **Classes** option is accessible only as a **Widget**.

The screenshot shows a mobile application interface for 'Classes' under the user 'Emma's Classes'. The interface has a red header with a graduation cap icon and the title 'Classes'. Below the header is a table with three columns: 'Class Name', 'Class Details', and 'Attendance'. The table lists ten classes with their respective teachers and attendance percentages. The attendance percentages are displayed in colored bars: red for 66%, orange for 93%, and green for 97%, 99%, 100%, and 100%. The email address 'christine.andrews@bromcom.com' is highlighted in red in the first row, and the percentage '66%' is also highlighted in red in the fifth row.

Class Name	Class Details	Attendance
10A	Tutor Group Ms C Andrews christine.andrews@bromcom.com	97%
Ar10/X10A	Art Mr S Williams	100%

SCI10/A1	Science Combi 1 Mr A Obenguyue	97%

The **Widget** displays the all the **Classes** the student attends with a percentage for the **Attendance** within each. The school can set colours to show **Attendance** between certain percentages, in this example red denotes **Attendance** between 0 to 74% and green 90 to 100%.

Note: The school have the option to display the e-mail address of the teacher and to give an option to e-mail directly to that member of staff. Clicking on the e-mail address will open the e-mail function on the **User's** computer to send an e-mail. Clicking on the **Envelope** icon will open a separate page where a **Conversation** can be started.
